1. **Introduction**

This document provides **Supplier Expression of Interest (SEOI) Instructions** for Suppliers (hereafter referred to as SEOI Instructions) on how to create SEOI account, submit SEOI “Web Form” and update SEOI account on the Tengizchevroil external website.

The instructions shall be read thoroughly and carefully prior to Supplier’s SEOI account creation and submission of SEOI “Web Form” to ensure Supplier understands the basis of SEOI and how it will be submitted and assessed.

Supplier shall also comply with the TCO Business Conduct & Ethics Expectations for Suppliers at all stages of SEOI.

Failure to comply with the SEOI Instructions and the TCO Business Conduct & Ethics Expectations may result deactivation of the SEOI account.

Supplier Expression of Interest (SEOI) shall not be construed as a commitment on the part of TCO, nor shall it entitle any Supplier to make any claims whatsoever, and/or seek any indemnity from TCO and/or any of its partners, by virtue of such Supplier expressing its interest to do business with TCO.

**SEOI “Web Form” registration by TCO does not mean that Supplier is prequalified or invited to a tender.**

All expenses incurred in preparing SEOI “Web Form” and maintaining SEOI Supplier Account shall be borne solely by the interested Supplier.

TCO reserves the right deactivate SEOI Supplier Account for reasons solely within TCO discretion.

Supplier shall not attempt to utilize telephone or e-mail contacts with various TCO personnel regarding its SEOI submission.

If Supplier has questions related to TCO SEOI process, please contact TCO SEOI Team by e-mail **TCOSEOI@tengizchevroil.com** indicating “Legal Entity Name” in the subject.
2. **SEOI “Web Form” Submission**

2.1. **SEOI Account Creation**

2.1.1. Supplier shall review information on the SEOI Home Page.

2.1.2. Supplier shall click on “Create SEOI Account” on the SEOI Home Page.

2.1.3. Supplier shall review and accept the “User Acknowledgment and Confidentiality Agreement” by selecting “Accept”.

2.1.4. Supplier shall create **SEOI Username and Password** to log into SEOI account. Supplier’s e-mail as well as SEOI Username can be used to log into SEOI account.

2.1.5. Supplier shall fill in the required information about the Legal Entity and click on “Register New Supplier” button.

2.1.6. The successful creation of SEOI Account means that Supplier has received a system notification sent to the e-mail address indicated by Supplier. Supplier shall confirm the created username, password and e-mail by following the link in the system notification.

**Important!**
- If Supplier is a branch, then parent company of Supplier and branch shall create its own SEOI account and submit their SEOI “Web Form” separately.
- Username and Password shall be for Supplier’s use only and shall be remembered by Supplier as the system does not allow any changes to these fields after the Username and Password have been confirmed by the system.
- The username, password and e-mail shall be set up for the Legal Entity and should not belong to an individual. If Supplier representative decides to create SEOI account with an individual’s e-mail and then for some reason leaves the company, new Supplier representative may not be able to retrieve login information and thus open SEOI account.
- If Supplier does not follow the link sent to the registered e-mail to confirm SEOI account creation within 5 days, the username and e-mail can be reused.

2.2. **SEOI “Web Form” Completion & Submission**

2.2.1. **General Requirements**

SEOI “Web Form” and all required documents shall be completed in English language, Kazakh and/or Russian languages are optional.

All Supplier documents shall be submitted only through the SEOI Web Application, including cases when TCO requests for document resubmission. Supplier Documents sent by e-mail will not be accepted by TCO.

If a conflict exists between the English version and the Kazakh and/or Russian versions of the submitted data in SEOI "Web Form", the English version shall prevail.

Supplier shall complete all the data fields in the SEOI “Web Form”.

Tool Tips are inserted with brief instructions for the convenience of Supplier and shall be read carefully.

Supplier shall note the following:
- Only use the following file formats when attaching Supplier documents: .xlsx, .docx, .pptx, .pdf
- Quantity of the attached documents shall not exceed 5 documents per each part of the “Supplier Documents” section
- Any attached document shall not exceed 10MB size
• Do not delete or modify any cell, row and/or column within SEOI forms provided in Supplier Documents section of SEOI “Web Form”.

SEOI “Web Form” shall be submitted by an authorized Supplier Representative per “Form 1” (see Exhibit A).

It is the sole responsibility of Supplier to ensure that SEOI “Web Form” is completed properly and all required documents are submitted along with the SEOI “Web Form”.

Supplier shall carefully examine the completeness of SEOI “Web Form” data and the attachments uploaded in the “Supplier Documents” section and correct any discrepancy and/or omission prior to submission of its SEOI “Web Form”.

After submission of SEOI “Web Form”, an automatic System Notification will be sent to Supplier’s registered e-mail address. If no notification has been received within 24 hours, Supplier shall contact TCO SEOI Team at TCOSEOI@tengizchevroil.com
